

Silicone Spray

Stock #: C33 | 12 pack | 10 oz net wt./ 283 g

Unit UPC: 0 89269 00033 4
Carton UPC: 1 00 89269 00033 1
Shelf Life (From Date of Manufacture): 10+ years

LOW VOC Formula

250% More Active Silicone than Many Competitors

Keeps two surfaces apart so they slide smoothly and easily without friction.

- Synthetic oil-free formula
- Large operating temperature: -40° to +400° F (-40° to +200° C)
- Superior lubrication for metal, rubber and plastic
- Prevents sticking, freezing and squeaks
- Reduces friction and seals out moisture
- Use for locks, hinges, sliding mechanisms and thousands of other applications
- Great for rubber seals, hoses, and gaskets
- NSF Certified

Cyclo's Industrial grade formula is an extra heavy-duty concentrate of high quality silicone for maximum performance. Silicone is a stain-free synthetic polymer lubricant that virtually dries to the touch. It reduces friction and lubricates without petroleum oil or grease.
